St. Luke's International University - Notice of New President Appointment

In association with the completion of Dr. Tsuguya Fukui's current term as president, Dr. Shigeko Horiuchi (currently Dean of the Graduate School of Nursing Science) has been newly appointed as President of St. Luke's International University (Chuo-ku, Tokyo; Chairperson of the Board of Trustees: Jun Itoigawa) as confirmed by the Board of Trustees on February 17, 2020. Dr. Horiuchi is set to serve a four-year term starting April 1, 2020. There will be no change in Dr. Tsuguya Fukui's status as president of St. Luke's International Hospital.

This year, St. Luke's International University welcomes its 100th year anniversary of nursing education. Under President Horiuchi's leadership, this institution will continue to strive to cultivate human resources that will support healthcare in this global society through the education and research conducted at the College of Nursing, Graduate School of Nursing Science, and Graduate School of Public Health.
