News Letter

Asia-Africa Midwifery Research Center
St. Luke's International University, Tokyo

St. Luke's Nursing Team visited the Muhimbili University of Health and Allied Science in Tanzania.

President. Shigeko Horiuchi, Dr. Sarah Nagamatsu and master's students of St. Luke's International University visited the Muhimbili University of Health and Allied Science, Dar es Salaam, Tanzania on July 4, 2023. It was great to meet Dean Beatrice Mwilike since 2019. We are finally back to Tanzania!

Vol. 35

July 7, 2023

Seminar about “Disrespect and Abuse in Maternal Care”

The students of St.Luke's provided the lecture for Tanzanian midwives which included latest evidence, case study based on the current situation, roleplay, group discussion. A participants share his experience as an witness of disrespect in clinical setting. 18 Tanzanian participants worked on the three case about disrespect and abuse and discussed what was wrong and what supposed to be. Each group demonstrated `good care` and finally each participants declared what they learnt from the seminar.

Shut up!

Demonstration by students

Help...

Group Discussion

Don't worry.
You will have
a baby soon.

Ow!,
ow, ow, ow

Role play

Group photo and the welcome cake shared by participants during the break.

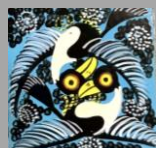

Back to the Muhimbili National Hospital after 3 year.

It was haeartbreaking that the midwife from St. Luke's International University sent to the Muhimbili National Hospital was forced to withdraw due to the Covid-19 pandemic in 2020. Now **WE ARE BACK!** President. Shigeko Horiuchi, Dr. Sarah Nagamatsu, Ms. Mari Shimoyama, Ms.Saho Morizane and Ms. Yuyu Sumiya visited the Muhimbili National Hospital, Dar es Salaam, Tanzania on July 6, 2023. Professor. Dr. Jessie Mbwambo, Ms. Pedenptha Matindi, Ms. Silvina Swallo, and their staffs kindly welcomed nursing team of St. Luke's!
