Part I Omnibus Talk *Public Health in the post-COVID-19 world*

Talk 1: In conversation with Dr. Peter Piot (Language: English)

The age of pandemics: how to prepare and how to respond

In the globalized modern era, regional infectious disease outbreaks can quickly become global pandemics like COVID-19, which continues to be a major public health concern. Dr. Peter Piot, Director of the London School of Hygiene and Tropical Medicine, a long-time world leader in infectious disease control, will join us as a speaker to discuss the role of Public Health in preparing for a possible pandemic crisis in a post-COVID-19 world.
